

# Curriculum Vitae

## Professional Summary

I'm a versatile and results-driven professional with expertise in **web development**, **creative design**, **social media management**, and **business strategy**.

**Web Development:** Building fast, responsive, and modern websites using HTML, CSS, JavaScript, WordPress, and Shopify.

**Design:** Crafting clean, professional designs for brands, websites, and marketing campaigns.

**Social Media Management:** Creating engaging content, managing accounts, and growing audiences on Instagram, Facebook, TikTok, and LinkedIn.

**Business Support:** Helping entrepreneurs and companies optimize processes, boost sales, and build stronger online presence.

I focus on **quality, efficiency, and clear communication**, ensuring your project is completed on time and exceeds expectations.
